Dear Parents/Guardians,

The district is asking parents to only send their child on the last day of school June 19, 2017, with only their bagged lunch and if necessary a medical bag. This request is to ensure a safe bus ride home at the end of the school year. Districts have had problems with students trying to have water fights on their buses and this creates a dangerous ride for the student.

Please make sure your children bring home all their belongings prior to June 16, 2017. We appreciate your help and cooperation in keeping our children safe.

Have a safe and wonderful summer, the administration looks forward to seeing our returning students in the fall. Good luck to the graduates we wish them success and happiness wherever life may take them

Sincerely,

Robert Demeter
Vice Principal
