

Hardyston Elementary School Library  
**SUMMER READING PROGRAM**

As the school year comes to a close, the students' thoughts are of swimming, playing, relaxing, and having fun. Hopefully, reading will also come to mind. We will once again be offering participation in our *Summer Reading Program* at Hardyston School. During the summer vacation, students are asked to read **8** books appropriate to their own reading ability. Students in Kindergarten or 1<sup>st</sup> grade may have books read to them. For each book completed, the record sheet should be filled out showing the title, the author, the date completed, and a parent's signature. The record sheet should be returned to your child's teacher by **Friday, September 15<sup>th</sup>**.

Attached is a list of suggested authors and some titles of books that are appropriate for and may be enjoyed by students at each grade level. **These are only suggestions** if you are looking for some guidance in choosing a book. Any other books and authors that your child enjoys that are appropriate to his/her reading ability can be used for the Summer Reading Program. You can also visit the Sussex County Library branches as they celebrate "**Build A Better World**" summer reading program.

Please encourage your child's participation in this program. Your support and the example you set are so important for the development of your child's life-long love of reading. I have attached promotions from Barnes & Noble and TD Bank. Enjoy the summer & happy reading!

Sincerely,

Sue Ploch

**Dear Reader,**

A book is a magical thing. Once you open one up and start to read, you can find yourself transported to any place in the world, any time in history, or any realm of fantasy an author can invent or your imagination can envision. The best part is that you can reach the most exciting destinations without ever leaving home.

The Barnes & Noble Summer Reading Program is here to help you on your way, encouraging you to read books of your own choosing and earn a FREE book, simply by following these three easy steps:

1. Read any eight books this summer and record them in this Summer Reading Journal. Tell us which part of the book is your favorite, and why.
2. Bring your completed journal to a Barnes & Noble store between May 16th and September 5th, 2017.
3. Choose your FREE reading adventure from the book list featured on the back of the journal.
