

Dear Third Grade Students,

We are hoping that you plan on reading a lot this summer! The third grade teachers have one request. Please read at least one *chapter book*, containing 80 or more pages. When it is finished please write a book review and bring it to school on the first day. The book review should be five or more sentences summarizing the story. The final sentence should be to whom you would recommend this book. (Example: I recommend this book to kids who like baseball, or I recommend this book to anyone who likes history, or I recommend this book to kids who like to laugh a lot.)

Thank you and have a wonderful summer!

The Third Grade Teachers
