

## Realtime Parent Portal Tutorial

Link: (will be made available on our school website)

<https://www.fridayparentportal.com/hardyston>

Once on portal website, enter the previously assigned username and password that was sent home in a letter from your school.

At this point, you will be prompted to reset your personal information in order to access your account.

Once signed in, you may view the following features:

(Please keep in mind that not all tabs will be available (or in use at this time, depending on which building your child attends)

## Parent Portal Features:

- Homepage- displays student picture, current grade level, academic school year, student state ID #, daily attendance, as well as homeroom and counselor information
- (You may also view all contact information that the school currently has on file. Checking emergency contact information is important and can be done at any time- if a change needs to be made, you can contact the main office for assistance. Please note, if a family has more than one student in the district, the portal user can link their students together after creating a password for each student account.)
