**TO:** Certifying Officers – Police and Firemen’s Retirement System (PFRS), Public Employees’ Retirement System (PERS), and State Police Retirement System (SPRS)

**FROM:** New Jersey Division of Pensions & Benefits (NJDPB)

**SUBJECT:** **New Legislation Notice – P.L. 2019, c. 157**

This letter serves as notification of a new law that permits certain members and retirees of the Police and Firemen’s Retirement System (PFRS), the State Police Retirement System (SPRS), and Tiers 1, 2, and 3 of the Public Employees’ Retirement System (PERS), to receive an Accidental Disability Retirement allowance for a disability resulting from participation in the 9/11 World Trade Center rescue, recovery, or cleanup operations.

P.L. 2019, c. 157 (Chapter 157), the Bill Ricci World Trade Center Rescue, Recovery, and Cleanup Operations Act, permits an active member of the PFRS, the SPRS, and PERS Law Enforcement Officers (LEOs) or Emergency Medical Technicians (EMTs) to file for an Accidental Disability Retirement if the member is or is to become totally and permanently disabled due to participation in the rescue, recovery, or cleanup operations at the World Trade Center between September 11, 2001, and October 11, 2001, regardless of whether the member was enrolled in the PFRS, SPRS, or PERS at the time of participation or under orders or instruction by an employer to participate.

## MEMBER RESPONSIBILITIES

Members who were present and worked or volunteered in the rescue, recovery, or cleanup operations at the World Trade Center must complete and return an *Eligibility Registration Form* within two years of the date of enactment of Chapter 157, or July 8, 2021. Filing this form allows the member the right to apply for an Accidental Disability Retirement in the future should he/she become totally and permanently disabled as a direct result of participation in the rescue, recovery, or cleanup operations at the World Trade Center. If an *Eligibility Registration Form* is not filed by July 8, 2021, the member will not be permitted to apply for an Accidental Disability Retirement resulting from participation in the rescue, recovery, or cleanup operations at the World Trade Center.

The *Eligibility Registration Form* is not an application for Accidental Disability Retirement. Members who have filed an *Eligibility Registration Form* and subsequently become totally and permanently disabled must complete an application for Accidental Disability Retirement and indicate their disability is due to the participation in the rescue, recovery, or cleanup operations at the World Trade Center.
