

Hardyston School District

Weekend Update October 8, 2023

School Closed - Monday, October 9 - - Teacher In-Service Day

****FREE FULL-DAY PRESCHOOL for 3 & 4 year olds****

Hardyston Township School District is Expanding its Preschool Program with PEA Funding

Hardyston Township Public Schools is pleased to announce that it will offer free, full-day preschool for 60 Hardyston Township students starting in January 2024. The current preschool program will expand to four preschool classes and afford current preschool students the opportunity to attend the full-day program. Over the next five years, New Jersey's Preschool Expansion Aid (PEA) will give the district the opportunity to include **all three and four year old children** from the community in the preschool program.

An Early Childhood Advisory Council composed of administrators, teachers, parents, and community stakeholders is tasked with rolling out the new preschool program and ensuring that all parameters of the aid package are followed. The district will add two additional preschool teachers, a master teacher, and four classroom aides to support the preschool program expansion. This funding will have a lasting positive impact on the Hardyston Township community and better prepare students for the future.

Students reaching age 3 on or before October 1, 2023 are eligible to register. Registration will be open from October 2, 2023 through November 16, 2023. If more than 60 students register, a lottery will take place at 9:00 a.m. on November 20, 2023. Only applicants who provide proof of residency and the child's original birth certificate will be included in the lottery.

To complete registration, parents/guardians must present the following:

- Child's original birth certificate
- Documented proof from the doctor of the child's immunizations (including influenza which must be administered by December 31, 2023)

Flu Shots for PK Students

In order to comply with New Jersey Law N.J.A.C. 8:57-4 Immunization of Pupils in School, every student attending Pre-K (6 months through 59 months of age) must have received a Flu/Influenza Vaccine between September 1st and December 31st of this school year.

Once your child has received their vaccine, please forward the documentation of that vaccination to Mrs. Stoffels, the school nurse, so that records can be updated in anticipation of the state audit. You may fax the proof of immunization to 973-827-6845 or scan and email a copy to wstoffels@https.org.

The State Health Department is closely monitoring these vaccination records and **will mandate that we exclude your child if this required vaccine has not been received. Please have proof of immunization to the school nurse by December 31st.** Flu shots are available now. Protect your child early.
