The Hardyston Middle School Chapter of the National Junior Honor Society will be putting together gift bags for senior citizens this holiday season. We set up an [amazon wish list](#) and would greatly appreciate any donations. Thank you for your support.

Sussex County and Warren County elementary, middle and high school students are challenged to a **competition for a cause!**

Area schools are collecting donations of *new, unwrapped* gifts and gift cards for children of all ages to be distributed to local families in need through the **Season of Hope Toy Shop**.

The competition will take place **October 30** through **December 11**.

HOW IT WORKS

Project Self-Sufficiency staff will collect donations from all participating schools. Then, our elves will tally the donations from each school. The winning school will claim the **Stuff the Stocking trophy** from the 2022 winner Reverend George A. Brown Memorial School.

PLEASE NOTE –

Only **NEW, UNWRAPPED** items will be accepted.

There is a great need for **Gift Card donations**, which are an option for those who want to contribute but don't want to shop.

Flu Shots for Preschool Students

In order to comply with New Jersey Law N.J.A.C. 8:57-4 Immunization of Pupils in School, every student attending Pre-K (6 months through 59 months of age) must have received a Flu/Influenza Vaccine between September 1st and December 31st of this school year.

Once your child has received their vaccine, please forward the documentation of that vaccination to Mrs. Stoffels, the school nurse, so that records can be updated in anticipation of the state audit. You may fax the proof of immunization to 973-827-6845 or scan and email a copy to wstoffels@https.org.

The State Health Department is closely monitoring these vaccination records and **will mandate that we exclude your child if this required vaccine has not been received. Please have proof of immunization to the school nurse by December 31st.** Flu shots are available now. Protect your child early.
