Hardyston Testing Schedule 2025-26

Parents/Guardians of our Preschool Students

In order to comply with New Jersey Law N.J.A.C. 8:57-4 Immunization of Pupils in School, every student attending Pre-K (6 months through 59 months of age) must have received a Flu/Influenza Vaccine between September 1st and December 31st of this school year.

Once your child has received their vaccine, please forward the documentation of that vaccination to Mrs. Stoffels, the school nurse, so that records can be updated in anticipation of the state audit. You may fax the proof of immunization to 973-827-6845, scan or email a copy to wstoffels@https.org.

The State Health Department is closely monitoring these vaccination records and **will mandate that we exclude your child if this required vaccine has not been received. Please have proof of immunization to the school nurse by December 31st.** Flu shots are available now. Protect your child early.

This trip is a great opportunity to experience a live theater performance based on the classic novel by S.E. Hinton. The show will allow students to connect their classroom reading with a real-world artistic performance. He has been passionately fulfilling this role while battling cancer for the last couple of years. The time has come where he needs help from the community he has selflessly served.
